

# A Community Partnership

The Coldwell Banker Bain Community Partnership Program is designed to say “thank you” to organizations who are committed to the welfare of our communities

## Mariner Marauder Booster Club

Coldwell Banker Bain agent Sandy Saga has formed a unique partnership with the Mariner Marauder Booster Club.

*Do you have a student involved in the school band? Sports? Clubs?*

*Looking for ways to help them raise funds for camps, trips or events?*

Through this partnership, when you buy or sell a property with Sandy Saga, she will donate an amount equal to 10 percent of her commission to our organization. All you have to do is mention that you were referred by the Mariner Marauder Booster Club upon contacting Sandy. It's that easy! You can even designate what group or club you want to receive the funds.

- **Example: A \$300,000.00 home sale or purchase with a 3% commission to Coldwell Banker Bain will result in a 10% donation of \$900.00.**

The Mariner Marauder Booster Club supports student trips, camps and special events. It also sponsors activities, equipment and supplies that promote academic successes and extra curriculum participation regardless of financial status.

For more information, please call Sandy Saga at (425)327-9370 or email her at [sandysaga@cbbain.com](mailto:sandysaga@cbbain.com).
