

BENEFITS OF VOLUNTEERING IN SCHOOLS

Benefits for Students

- ◆ Earn higher grades and test scores
- ◆ Pass their classes, earn credits and be promoted to the next grade level
- ◆ Attend school more regularly and be more likely to complete their homework
- ◆ Have better social skills, a more positive attitude, show good behavior and adapt well to school
- ◆ Graduate and enroll in education beyond High School

Benefits for Parents

- ◆ Increased confidence in the school
- ◆ Greater confidence in parenting abilities
- ◆ Improved ability to help children at home
- ◆ Better understanding of your child's daily activities

Benefits for School & Community

Research evidence clearly shows that when families work together with schools to support learning, children of all abilities and backgrounds tend to succeed—not just in school, but throughout life.

Get Involved!

Mukilteo School District No 6

"Creating a community of educational excellence."

Schedule:
M-F
8-Noon

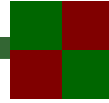

Serving our students. Serving our parents. Serving our community.

Voyager Middle School

WHAT IS A PARENT LIAISON?

A Parent Liaison is a bridge between the school and home. They coordinate school volunteers, keep parents informed, and provide parental input to school staff and administration.
